Principles

- **Right = pink · Wrong = Champagne · Inactive = Linen.** A wrong answer is “încă nu”, never red.
- **Bows are what Vali collects** (they replaced the leaves): 1–3 per lesson, spent in Capy’s Corner.
- **The mic is the hero:** dark pink, 96 dp, slow 2 s pulse while recording.
- Light mode sits on the striped floral paper; cards are blush white with 1 dp lines so text stays readable.
- Dark mode follows the system setting and drops the image.
